Mr N. H. Whitmire
117 Short Wofford St;
Spartanburg S.C.

Dear Sir:

I am inreceipt of your letter of April 10th.
The Eagles will come play the game for 40% of the
gross.

You had better wire confirmation, as it will
take a few days to get the cards made and shipped to
you. Also state if you want a notation on the cards
saying "space reserved for whites". This is often put
on the cards in the south, but you know your community
best.

There will be 18 or 20 men to provide rooming
for.

Would you be able to use any publicity, or
does The Journal and Guide out of Norfolk take care
of your town. If you want me to send publicity send
me the name and address whom to send it to.

Very Truly Yours
